

Meesappulimala Trek

Place/Region	Meesappulimala is the second highest peak in South of India after Anamudi. Located in Eravikulam National Park region and close to the famous hill station Munnar in Kerala it is a lesser known trekking destination. Is the one of the most beautiful n scenic there that goes through a good forest cover, followed by grass covered peak. There are several small water falls and stream through the route and the trek is less tiring even in the month of Feb.
